
8. Isoconcentration Contour Map, Total Halogenated Hydrocarbons

Figure 10. Total Halogenated Hydrocarbons in Groundwater (ug/L) in the Old Town Area, First Quarter FY2004.

Attachment 1.

A detailed draft map showing an area north and east of B10 and the locations of LBNL's known groundwater contamination plumes, unsampled areas which could contain contaminated plume(s), historic creeks, historic landslides, and earthquake faults.
