Hi Larry,

I was looking through my facilitation file and have attached the “Dynamics of Group Decision-Making” from a 1996 publication called Community at Work. I have used this in my outreach work for many years, and I think it may help the IRP panel members, DTSC, and members of the public get a better understand of the “process” of group decision-making. Further information can be found at: <https://www.ohrd.wisc.edu/home/portals/0/week1-ch1-thedynamicsofgroupdecision-making.pdf>

Thanks.
