

**Certified Appliance Recycler Application**

<p><b>Submit to:</b></p> <p><b>Attn: Universal Waste Section</b>  <u>Department of Toxic Substances Control</u>          Hazardous Waste Management Program          1001 "I" Street, 11th Floor          P.O. Box 806          Sacramento, California 95812-0806          (916) 323-9219</p>
---

If you remove 'materials that require special handling' from a major appliance, after January 1, 2006 you will need to provide evidence that you are a certified appliance recycler, pursuant to Health and Safety Code 25211 (AB 2277, 2004).

If you wish to operate as a certified appliance recycler you will need to submit this application to the Department of Toxic Substances Control (DTSC), to obtain certification.

1.) Business name under which the recycler operates: \_\_\_\_\_

(Not required)	Facility address: _____
	_____
	Applicant name: _____
	Phone number: _____

2.) Business owner information:

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_

3.) Hazardous Waste generator identification number: (EPA ID #) \_\_\_\_\_

(If required. If you need to obtain a California EPA ID # complete DTSC Form 1358.)

4.) Applicant has filed an application for a stormwater permit? YES / NO  
 Is the applicant required to obtain a stormwater permit? YES / NO

5.) Applicant has filed a hazardous materials business plan? YES / NO  
 Is the applicant required to file the plan? YES / NO

6.) Tax identification number, assigned by the Franchise Tax Board: \_\_\_\_\_

7.) Attach a copy of a business license and any conditional use permits issued by the appropriate city or county.

8.) Describe your ability to properly remove and manage all materials that require special handling. Include, but not limited to: (HSC 25211.4(a))

- 1.) Describe all equipment used in removing the materials that require special handling.
- 2.) Describe how you manage the materials that require special handling.
- 3.) Describe the training provided to personnel engaged in the removal of materials that require special handling.
- 4.) Describe the training provided to personnel managing the materials that require special handling.

(Use additional pages as necessary.)

Certificates issued will be valid for three years. Once your certification has expired, you are no longer a certified appliance recycler and may no longer operate as a certified appliance recycler.

Once a certificate is issued, DTSC will notify the certified uniform program agency (CUPA) in your jurisdiction, which is responsible for inspecting the certified appliance recycling facility.

If denied, DTSC will explain to you why your application failed to meet the requirements for certification.

DTSC may revoke or suspend a certification issued.
