

PUBLIC NOTICE

PERMIT APPEAL BRIEFING PERIOD
Review of the Hazardous Waste Permit Decision Issued to
ADVANCED ENVIRONMENTAL, INC.
13579 Whittram Avenue
Fontana, California 92335

The California Department of Toxic Substances Control (DTSC) issued a final hazardous waste facility permit decision to Advanced Environmental, Inc. (AEI), located at 13579 Whittram Avenue, Fontana, California for its existing operations, and proposed modifications. DTSC received a petition for review (Appeal) of the final permit from AEI. On February 13, 2008, DTSC issued Order Number HWCA 07/08-P003, which grants review of 17 permit conditions related to Used Oil - Total Halogens and Polychlorinated Biphenyls (PCBs) testing requirements.

This Notice announces DTSC's decision to grant review of the specified permit conditions and establishes a briefing schedule for the purpose of allowing individuals an opportunity to file written arguments concerning the Appeal comments referenced above. **The briefing period for this permit appeal will commence on May 7, 2008, and end on June 23, 2008.**

DTSC invites any interested person to submit written arguments pertaining to the 17 conditions subject for review. The specific comments that have been granted review are listed in the order and are available for review at www.dtsc.ca.gov/HazardousWaste/Appeal_Facilities.cfm#Advanced_Environmental_Inc.,_Fontana. Arguments must be restricted to the appeal comment granted review only, and must include a supporting statement of reasons. As part of a written argument, interested persons may request that DTSC hold an Informal Appeals Conference. If requested, DTSC may hold an Informal Appeals Conference following the end of the briefing period. If you are interested in being informed of the date, time and location of the Informal Appeals Conference, if one is held, please contact DTSC at appeals@dtsc.ca.gov.

All arguments must be in writing, postmarked by **June 23, 2008**, and be e-mailed to appeals@dtsc.ca.gov Attn Peggy Harris or mailed to:

Peggy Harris, P.E., Division Chief
Department of Toxic Substances Control
1001 "I" Street, 11th Floor, MS 11A
P.O. Box 806
