APPEAL OF PERMIT DECISION – CHEMICAL WASTE MANAGEMENT –BAKERSFIELD,
POST-CLOSURE PERMIT (CAT000624056)

Dear Mr. Perley:

The Department of Toxic Substances Control (DTSC) has received your letter of September 13, 2007, requesting a further extension of the stay of the appeal proceeding of the Petition for Review (Petition) of DTSC's final permit decision issued on June 19, 2007, concerning this facility. By letter dated August 20, 2007, DTSC indicated review of the Petition would commence on October 18, 2007, unless a request to extend the stay of the appeal proceeding based on good cause were granted. The facts set forth in your letter support granting a stay of this appeal proceeding until December 18, 2007, when DTSC will commence review of the Petition.

If you have any questions or require additional information about the permit appeal process and procedures, you may contact Ms. Ann Carberry of my staff at (916) 322-1131 or acarberr@dtsc.ca.gov.

For questions or substantive information about current permit requirements and/or the proposed new Permit, please feel free to contact Mr. Scott Ward in our Sacramento office at (916) 255-3581 or sward@dtsc.ca.gov or his supervisor Mr. Wade Cornwell at (916) 255-3573 or wcornwel@dtsc.ca.gov.

Sincerely,
