AIR ONCE ONLY
AIR DATE: July 2, 2013

The State of California, Department of Toxic Substances Control
or DTSC, invites you to comment on a draft approval for a
Permit Modification for an expansion of the Kettleman Hills
hazardous waste landfill. This facility is located three and one
half miles from Kettleman City off State Highway Forty One.
DTSC will hold A Public Hearing at six thirty p.m. on August
twenty seventh, two thousand thirteen at the Kettleman City
Elementary School’s cafeteria, to explain the draft permit
modification and accept your comments. Documents are
available for review at the Kettleman City Library. The comment
period will run for sixty days, and ends on September fourth, two
thousand thirteen. For more information, call Nathan
Schumacher at DTSC, at nine-one-six, two five-five, three-six-
five-zero.
