210 WEST TRAFFIC JAMMED AT BUENA VISTA DUE TO TANKER TRUCK FIRE

<http://totaltraffica.com/2012/01/03/210-west-traffic-jammed-at-buena-vista-due-to-tanker-truck-fire/21280>

January 10, 2013

Update 7:53am

All lanes are open!

You'll still find the residual slowing on the 210 WEST from San Dimas Ave to Buena Vista.

The 605 NORTH is also slow from Arrow Hwy to the 210.

Update 7:32am

The two right lanes are still closed on the 210 WEST at Buena Vista, but should be opening as soon as the rest of the tanker is towed off the freeway.

The 210 is still very slow from San Dimas to Buena Vista.

The 605 NORTH is slow from Arrow Highway to the 210.

The 10 WEST is slow from Sunset Ave to Baldwin Park Blvd.

Update 7:00am

CHP says the two right lanes on the 210 WEST at Buena Vista will be closed until at least 7:30am.

The 210 WEST is stop and go from the 57.

The 605 NORTH is starting to back up from Arrow Highway to the 210.

The 10 WEST has a little slowing from Sunset Ave to Baldwin Park Blvd.

Update 6:40am

CHP is reporting that the two right lanes are going to be closed until at least 7:30am on the 210 WEST at Buena Vista Street.

The 210 WEST is stop and go from the 57 to Buena Vista.

Update 6:18am

The two right lanes are closed on the 210 at Buena Vista Street after a gasoline tanker truck with two trailers caught on fire.

210 WEST traffic is packed solid from the 57 to Buena Vista.

A tanker truck fire was first reported to CHP at 5:37am on the 210 WEST at Buena Vista Street .

According to CHP reports, the truck lost a tire and brakes caught on fire. Once the gasoline tanker caught fire, the driver pulled the truck over to the right shoulder and jumped out.

By 6:00am, emergency crews were on scene and the fire was out.

Emergency crews still have the two right lanes closed while they clean up the mess and prepare to tow the tanker truck.

No injuries were reported.
