**NOTICE OF PUBLIC MEETING**  
**Department of Toxic Substances Control**  
**Green Ribbon Science Panel Teleconference**  
**December 10, 2009**  
**12 – 2 p.m.**

Arnold Schwarzenegger  
Governor

The Department of Toxic Substances Control (DTSC) will convene a teleconference meeting of the Green Ribbon Science Panel (GRSP) on December 10, 2009, from noon to 2 p.m. Pacific Time.

The purpose of this meeting is to provide the Green Ribbon Science Panel with an opportunity to discuss and provide advice to DTSC on the potential for public/private partnerships that will further the goals of the California Green Chemistry Initiative. The public will have an opportunity to address the Panel on the topic of public/private partnerships.

A memo from DTSC's Acting Director Maziar Movassaghi to the Green Ribbon Science Panel, which provides background on the topic, can be reviewed at:

**Where and When is the Meeting?**

This meeting will be conducted via conference call on Thursday, December 10, 2009 from 12 p.m. to 2 p.m. GRSP members will participate over the phone from the publicly accessible locations listed below.

Members of the public may participate in person at any of the locations below, or may call in by dialing 877-915-2770; pass code 2860343#.

\*\*Please note that pre-registration or prior notice is not required for any member of the public to participate in this meeting. However, informing us of your intention to participate will help us better prepare. In particular, to ensure enough space is available it is helpful to know if you plan to participate in person from one of the locations identified below. To RSVP, please email Ms. Kathy Barwick at [kbarwick@dtsc.ca.gov](mailto:kbarwick@dtsc.ca.gov) or call (916) 323-3381. Any person wishing to call from outside the United States should notify Ms. Barwick via email by December 7, 2009 so an international phone line can be arranged.
