2. Public input

The public may offer general comments on the SCP process

1:35-1:45 pm

BREAK

The subsequent agenda items will occur concurrently in different rooms for each of Priority Products. During this time, meeting participants may move to their desired Priority Product session, as identified by room number, below:

Priority Product	Room Number	Presenter
Paint Strippers Containing Methylene Chloride	Room: 3-10	Dr. Rob Brushia
Spray Polyurethane Foam Systems Containing Unreacted Diisocyanates	Room: 5-50	Dr. Dennis Guo
Children's Foam Padded Sleeping Products containing TDCPP	Room: 2-30	Christine Papagni

1:45- 2:00 pm

3. Overview of the Rationale for Priority Product Selection

The presenter will describe the rationale for selecting and scope of the Priority Product.

2:00-3:20 pm

4. Topic 1: Discussion of the Priority Product description

Meeting participants will have the opportunity to comment on the Draft Regulatory Concept and the related questions identified in Topic 1

5. Topic 2: Discussion of the Chemical(s) of Concern

Meeting participants will have the opportunity to comment on the Draft Regulatory Concept and the related questions identified in Topic 2

6. Topic 3: Discussion of Market Information

Meeting participants will have the opportunity to provide input relating to the questions identified in Topic 3

7. Public Input

Meeting participants may comment on any outstanding issues relating to the session's Priority Product

3:20-3:30 pm

8. Closing Remarks

DTSC staff will lead a short discussion on the next steps for the SCP program
