

On January 22, 2009, DTSC sent a [formal information request letter](#) to manufacturers who produce or import carbon nanotubes in California, or who may export carbon nanotubes into the State. The letter also outlined the time frame that manufacturers are required to respond under the law.

#### Submitted Information for the Carbon Nanotube Information Call-in

Company Name	Date Submitted	Submitted Response
Ahwahnee Technology		Out of business
American Elements	9/14/2009	<a href="#">Link to document</a>
Bayer MaterialSciences, LLC.	1/20/2010	<a href="#">Link to document</a>
Carbon Solutions, Inc.	1/21/2010	<a href="#">Link to document</a>
Carbolex, Inc.		Out of business
California Institute of Technology	1/20/2010	<a href="#">Link to document</a>
California State University (CSU)	9/14/2009	<a href="#">Link to document</a>
Cheap Tubes	3/1/2010	<a href="#">Link to document</a>
Cnano Technology, Limited	1/18/2010	<a href="#">Link to document</a>
ELORET Corporation	3/8/2010	<a href="#">Link to document</a>
Graphene Solutions	6/17/2010	On June 17, 2010, Graphene Solutions informed DTSC via e-mail that they are not manufacturers or sellers of carbon nanotubes, do not sell CNTs in California, nor do they currently have any business dealings in the state.
Lawrence Berkeley National Laboratory (LBNL)	1/11/2010	<a href="#">Link to document</a>
Lawrence Livermore National Laboratory (LLNL)	3/25/2010	<a href="#">Link to document</a>
