Additional Resources

We want to assure all of our stakeholders that transparency and stakeholder involvement is a high priority for DTSC. EnviroStor is DTSC's data management system for tracking our cleanup, permitting, enforcement and investigation efforts at hazardous waste facilities and sites with known contamination or sites where there may be reasons to investigate further. To review Envirostor, please go to: <http://www.envirostor.dtsc.ca.gov/public/>

In addition, all presentations and written materials related to this and all future Quarterly Public Meetings can be found here: <https://dtsc.ca.gov/GetInvolved/PublicMeetings/index.cfm>
