<http://ssflcag.net/>

How can you continue to allow this bullshit? There isn't a single unbiased NON-LIE there. THIS IS ON YOU and you are losing this cleanup through your inability to do your job. SHAME ON YOU!!!!!!!

Do you think this cleanup or our communities are a joke? How dare you allow these lies on both sides to continue. The real monsters here, aside from Dan and Alec and Abe, is really YOU ALL who work at "I" Street.
