## FORM CO

### **CEASED OPERATING AS A PERMITTED OR INTERIM STATUS HAZARDOUS WASTE FACILITY (TSDF) OR UNIT(S)**

#### **WHO MUST SUBMIT FORM CO?**

A facility required to file the 2010 AFR must submit Form CO if the facility ceased operating any or all hazardous waste management units during 2010.

#### **PURPOSE OF FORM CO**

The form is used to identify the type of permitted facility, and which unit or units have ceased operating as permitted units for the year 2010.

#### **HOW TO FILL OUT FORM CO**

If the entire facility ceased operating, fill out only one Form CO. If the facility partially closed, photocopy additional copies of Form CO as needed and fill out one form per unit for each type of unit that ceased operating under permit authorization. Complete Boxes A through J for each unit which ceased hazardous waste activity requiring a full permit or standardized permit during 2010. There are fill-able PDF forms available on our webpage for your convenience.

##### **Box A: Prior Authorization**

Check the type of prior authorization held by the facility.

##### **Box B: Date of Permit**

If prior authorization was a permit, enter the date issued for the facility.

##### **Box C: Date of Interim Status**

If prior authorization was an Interim Status Document (ISD), enter the date issued for the facility.

##### **Box D: Current Permit Status**

Check if the entire facility:

- Ceased operating and will be going through closure,
- Converted to a lower permitting tier, to a variance, or to 90 day or less storage,
- Had the permit rescinded or denied and will be going through closure,
- Withdrew the permit and will not be pursuing a permit or will be going through closure.
