RE: START WORK ORDER #1

Mr. Juhrend:

In accordance with this contract, enclosed are the fully executed Work Order Approval Form and Work Order which describes the Scope of Work, schedule and the amount of this work order. This letter serves as the contractor's authorization to commence work.

This Work Order is issued under the authority of the contract between Geocon Consultants Inc. (Contractor) and the Department of Toxic Substances Control (DTSC).

The terms and conditions of the contract shall govern the execution of this Work Order and this document shall become part of the Contract upon issuance. If the contractor fails to notify the Project Manager and the Contract Manager that the cost of work performed will exceed the maximum allowed in the Work Order before such costs are incurred, it may be determined that the Contractor has acted as a "volunteer" in rendering those services and is not entitled to additional payment.

I will be the project manager for this Work Order. Please feel free contact me for further information at (916) 322-9326 or Edward.Benelli@dtsc.ca.gov.

Sincerely,

Edward Benelli
Hazardous Substances Engineer
Hazardous Waste Management Program
