NOTICE OF APPROVAL FOR TIER 2 LEVEL IMPLEMENTATION AND ENFORCEMENT OF ENVIRONMENTAL ASSESSMENT AND CORRECTIVE ACTION, MERCED COUNTY CERTIFIED UNIFIED PROGRAM AGENCY

Dear Ms. Mulcare:

Thank you for your letter of February 5, 2010, regarding delegation of corrective action oversight authority to Merced County Unified Program Agency. The Department of Toxic Substances Control (DTSC) has completed the review of the Merced County Certified Unified Program Agency's (Merced CUPA) Tier 2 Application for the authority to implement and enforce environmental assessments and corrective action conducted pursuant to Health and Safety Code sections 25200.3(c)(3), 25187, 25187.1, 25200.10, and 25200.14. This application was submitted to DTSC on February 18, 2009. Based on its review, DTSC has determined that Merced CUPA is qualified at the Tier 2 Level to implement and enforce the environmental assessments and corrective action in accordance with the requirements of California Code of Regulations, title 22, §68400.11 et seq. The Merced CUPA Application for environmental assessment and corrective action delegation is hereby approved.

In order for DTSC to effectively coordinate and manage corrective action activities statewide, DTSC is requesting Merced CUPA for the following:

1. Provide DTSC with a 30-day written notice of the name, address and permitting status of the facility or site before any corrective action activity is initiated.

DTSC is delegating the corrective action oversight authority under Chapter 6.5 of Division 20 of Health and Safety Code. If you have any questions regarding the delegation of authority, please contact Mr. Robert M. Senga at (714) 484-5436, or at Rsenga@dtsc.ca.gov.
