Dear Mr. Erbeck:

The Department of Toxic Substances Control (DTSC) has completed its review of the San Diego County Department of Environmental Health Certified Unified Program Agency's (San Diego County CUPA) Tier 2 application for the authority to implement and enforce environmental assessments and corrective action conducted pursuant to Health and Safety Code sections 25200.3(c)(3), 25187, 25187.1, 25200.10, and 25200.14. This application was submitted on June 3, 2011.

Based on its review, DTSC has determined that San Diego County CUPA is qualified at the Tier 2 level to implement and enforce the environmental assessments and corrective action in accordance with the requirements of California Code of Regulations, title 22, §68400.11 et seq. The San Diego County CUPA application for environmental assessment and corrective action delegation is hereby approved.

In order for DTSC to effectively coordinate and manage corrective action activities statewide, DTSC is requesting San Diego County CUPA for the following:

1. Provide DTSC with a 30-day written notice of the name, address and permitting status of the facility or site before any corrective action activity is initiated.
