

PUBLIC NOTICE OF PERMIT APPEAL COMMENT PERIOD
Petition for Review of the Hazardous Waste Permit Issued to
ADVANCED ENVIRONMENTAL, INC.
13579 Whittram Avenue
Fontana, California 92335

The California Department of Toxic Substances Control (DTSC) issued a final hazardous waste facility permit to Advanced Environmental, Inc. located at 13579 Whittram Avenue, Fontana, California for its existing operations and proposed modifications. DTSC received a petition for review (Appeal) of the final permit from AEI. On February 1, 2008, DTSC issued Order Number HWCA 07/08 which grants review of 20 permit conditions related to Used Oil - Total Halogens and Polychlorinated Biphenyls (PCBs) testing requirements.

This Notice announces the decision to grant further review of the specified conditions and establishes a comment period for the purpose of allowing individuals an opportunity to file written comments. **The public comment period for this permit appeal will commence on February 27, 2008 and end on April 11, 2008.**

DTSC invites any interested person to submit written comments pertaining to the 20 conditions subject for review. The specific comments that have been granted review are included in the order and available for review at http://www.dtsc.ca.gov/HazardousWaste/Appeal_Facilities.cfm#Advanced_Environmental_Inc.,_Fontana

Comments must be restricted only to the permit condition subject to review and must include a supporting statement of reasons. Interested persons may include a request in their written argument asking DTSC to hold an Informal Appeals Conference. DTSC will hold an Informal Appeals Conference, if requested, following the closure of the comments period.

All comments must be in writing, postmarked by **April 11, 2008** and be emailed to appeals@dtsc.ca.gov or mailed to:

Peggy Harris, P.E., Division Chief
Department of Toxic Substances Control
1001 "I" Street, 11th Floor, MS 11A
P.O. Box 806
