APPEAL OF PERMIT DECISION REGARDING CHEMICAL WASTE MANAGEMENT – BAKERSFIELD, POST-CLOSURE PERMIT (CAT000624056)

Dear Mr. Perley:

Enclosed please find the ORDER PARTIALLY GRANTING PETITION FOR REVIEW AND DENIAL OF REVIEW (Order) pertaining to the Post-Closure Permit issued by the Department of Toxic Substances Control (DTSC) on June 19, 2007, concerning the Chemical Waste Management Bakersfield facility located at 27001 Round Mountain Road Bakersfield, California 93308.

Shortly, DTSC will be issuing a public notice announcing this decision and setting a briefing schedule for the issues that have been granted review under the Order. DTSC is planning to use a three phase briefing schedule for this appeal and the public notice will have further details about the phased briefing schedule. After considering the arguments submitted during the briefing period, DTSC will issue a second order setting forth its final decision on the appeal comments that were granted review.

For those appeal comments that were denied review, the Order constitutes the Department's final permit decision and is effective on the date of mailing of this Order.
