TO: File for Crane's Waste Oil Inc.  
FROM: Alejandro Galdamez  
DATE: August 28, 2009  
SUBJECT: Changes from Draft Permit to Final Permit

The following changes were made from the Draft Permit to the Final Permit

1. On title page, changed the number of pages from 27 to 28.
2. Changed the Effective Date on cover page from DRAFT to September 30, 2009; also changed the Expiration date from DRAFT to September 29, 2019.
3. Removed from the entire permit any reference to "draft".
4. On Page 4 under the Owner of Real Property, the name was changed from Crane's Waste Oil, Inc to Leroy E. Ladd and Donna K. Ladd.
5. On page 4 under the Location, the facility's mailing address was changed to 15412 Highway 178, Weldon, Kern County, California, 93283.
6. On page 5, the closure cost estimate has been updated to \$34,412.00 to reflect the inflation factor for 2008.
7. On page 18, Special Condition No. 6 was changed to read: "The Permittee shall maintain an Operating Record at its business office located at 15412 Highway 178, Weldon, Kern County, California, 93283 (also its mailing address), which is 0.09 mile from the actual location of the open-air Facility. The Operating Record shall document all hazardous waste activities at the Facility, including the quantities and types of hazardous waste transferred to and from the Facility, the dates of arrival and departure of shipment, and the manifest document numbers."
8. There are a few other minor changes made to the draft permit for consistency or clarification purposes.
