

# Public Notice

The mission of DTSC is to protect California's people and environment from harmful effects of toxic substances by restoring contaminated resources, enforcing hazardous waste laws, reducing hazardous waste generation, and encouraging the manufacture of chemically safer products.

## DRAFT INTERIM MEASURES WORKPLAN & CEQA INITIAL STUDY, DUCOMMUN AEROSTRUCTURES, EL MIRAGE, CALIFORNIA

**30-Day Public Comment Period: September 4 through October 5, 2015.**

Para información en español por favor comuníquese con Jesus Cruz al número (916) 255-3315.

**WHY YOU ARE BEING NOTIFIED:** The California Environmental Protection Agency, Department of Toxic Substances Control (DTSC), is pleased to inform the public that a draft Interim Measures Workplan for Ducommun AeroStructures El Mirage Facility, located at 4001 El Mirage Road, El Mirage, California 92301, is open for 30-day public comment between August 31 and October 1, 2015. An Initial Study and draft Negative Declaration prepared pursuant to the California Environmental Quality Act is also available for review and comment during this public comment period. The objective of the proposed draft Interim Measures Workplan is to provide replacement drinking water to two properties, construct additional groundwater monitoring wells and one new groundwater extraction well, operation of soil vapor extraction equipment to remove chlorinated solvents beneath the main building, and the operation of a groundwater extraction system to remove chlorinated solvents and hexavalent chromium. The treated water is being taken off site to a treatment facility. Replacement bottled drinking water will be continued for some local residents until additional Site investigations indicate well water is safe.

**HOW TO SUBMIT COMMENTS:** Please submit all written comments by mail, e-mail, or fax no later than 5:00 P.M. on the last day of the comment period October 5, 2015 to:
