HAZARDOUS WASTE FACILITY PERMIT

Facility Name:
Evergreen Oil, Inc.
6880 Smith Avenue
Newark, California 94560-4224

Owner Name:
Evergreen Oil, Inc.
6880 Smith Avenue
Newark, California 94560-4224

Operator Name:
Evergreen Oil, Inc.
6880 Smith Avenue
Newark, California 94560-4224

Facility EPA ID Number: CAD980887418

Issuance Date of Permit: October 10, 1985

Effective Date of Permit: October 10, 1985

Expiration Date of Permit*: October 10, 1990

Date Modified: May 9, 2002

Modification Number: MOD SC3-050902-A

* Evergreen Oil, Inc., submitted a permit renewal application to the Department of Toxic Substances Control (DTSC) within the regulatory time period and Evergreen is therefore authorized to continue to operate under this permit until DTSC makes a permit decision on the permit renewal application.

Pursuant to Section 66270.42, title 22, Division 4.5, California Code of Regulations, the Hazardous Waste Facility Permit issued October 10, 1985, is hereby modified to address changes to the operation. Revised pages 2, 2a, 4, 32 and Appendix A, labeled as "Revised Date: May 9, 2002" are hereby incorporated into the approved permit, replacing the original pages. The revised permit consists of 32 pages including attachments.

ORIGINAL SIGNED BY JOSE KOU ON 5/9/2002

Chief, Southern California Permitting Branch
Department of Toxic Substances Control
