

MEMORANDUM OF UNDERSTANDING

Exide Technologies ("Exide") and the California Environmental Protection Agency, Department of Toxic Substances Control (the "Department") (collectively referred to as "the Parties") agree to, and approve, the submittal forthwith of the attached final Stipulation and Order to the Bankruptcy Court for the District of Delaware. The Parties understand that Exide must obtain approval by the Bankruptcy Court to enter into the Stipulation and Order. Upon final approval by the Bankruptcy Court, Exide will execute the document and thereafter, the Department. Upon execution by the Parties, the Stipulation and Order will become effective by its terms.
