

DEPARTMENT OF TOXIC SUBSTANCES CONTROL (DTSC)

CANCELLATION NOTICE

MARINA, CALIFORNIA

This notice informs you that the proposed Special Waste Disposal Variance and associated California Environmental Quality Act (CEQA) October 11 to November 11, 2005 public comment period and workshop scheduled for Monday, October 24, 2005, 7:00 - 9:30 p.m. at Marina City Hall are canceled.

On Friday, October 21, DTSC received formal notification from the Monterey Regional Waste Management District to withdraw the Special Waste Disposal Variance application. The application requested that DTSC authorize the disposal of lead-based paint containing debris from 573 Fort Ord buildings at the Monterey Peninsula Landfill located approximately two miles north of the City of Marina. Therefore, DTSC will cancel the public comment period and not hold the public workshop.

If you have any questions, please contact Ms. Li Tang, DTSC Project Manager, at (916) 322-2505, or ltang@dtsc.ca.gov, or Ms. Kris Escarda, DTSC Public Participation Specialist at (916)255-6683, or kescarda@dtsc.ca.gov.
