

# Public Notice

The mission of DTSC is to protect California's people and environment from harmful effects of toxic substances through the restoration of contaminated resources, enforcement, regulation and pollution prevention.

## DRAFT HAZARDOUS WASTE FACILITY PERMIT PHIBRO-TECH, INC.

Santa Fe Springs, California

### PUBLIC WORKSHOP: WEDNESDAY, JANUARY 23, 2013

The Department of Toxic Substances Control (DTSC) invites you to attend a public workshop regarding the Phibro-Tech, Inc. (Facility) hazardous waste facility, located at 8851 Dice Road in Santa Fe Springs, California. The Facility currently accepts and recycles hazardous waste from the aerospace, electronics, chemical, and metal finishing industries.

The purpose of the workshop is to discuss the current status of corrective action, health risk assessments, and public participation activities. The workshop will take place on:

**Wednesday January 23, 2013**

**6:00 PM - 8:00 PM**

**Gus Velasco Neighborhood Center**

**9255 S. Pioneer Boulevard**

**Santa Fe Springs, California 90670**

Facility related documents are available at the following locations:

Santa Fe Springs Public Library  
11700 Telegraph Road,  
Santa Fe Springs, California 90670  
(562) 868-7738
