

## PUBLIC NOTICE OF PERMIT APPEAL BRIEFING PERIOD

### Review of Hazardous Waste Permit Decision Issued to SAN JOAQUIN FILTER RECYCLING, LLC

14287 E. Manning Avenue  
Parlier, California, 93648

EPA ID. No. CAL 000102751

**May 15, 2009**

On December 17, 2008, the Department of Toxic Substances Control (DTSC) issued a final Standardized Hazardous Waste Facility Permit for the San Joaquin Filter Recycling facility located at 14287 E. Manning Avenue, in Parlier, California. On January 26, 2009, a Petition for Review (appeal) of this permit decision was filed. On May 5, 2009, DTSC issued Order No. PAT-FY08/09-05 granting review for two (2) appeal comments and denying the remainder.

This Notice announces DTSC's initial decision on the appeal and a briefing schedule for the purpose of allowing any interested person to file written arguments concerning the appeal comments that have been granted review. The written arguments must be submitted in accordance with the schedule described below.

- Petitioner and any other interested person supporting the position taken in the appeal comments granted review ("Proponents") may file opening briefs on or before June 2, 2009.
- The Permit Renewal Team of DTSC, and any other interested person opposing the position taken in the appeal comments granted review, ("Respondents") may file briefs responding to the Proponent's arguments from June 6, 2009, to and including June 22, 2009.
- Finally, Proponents will have from June 26, 2009 to and including July 2, 2009, to file briefs responding to the Respondent's briefs.

At the end of each briefing phase noted above, DTSC will post the briefing arguments on its appeals website. Interested persons should monitor the DTSC websites listed later in this Notice for the briefs, which will be posted as they are received. Telephone or email requests for electronic copies are welcome.

Written arguments may be submitted by email to [appeals@dtsc.ca.gov](mailto:appeals@dtsc.ca.gov), or mailed, and must be received by the last day of the particular briefing phase, as appropriate, to:

Mohinder S. Sandhu, P.E.  
Permit Appeals Officer  
Department of Toxic Substances Control  
8800 Cal Center Drive, MS R1-2  
Sacramento, CA 95826

DTSC cannot consider arguments that do not meet the content and filing requirements stated in the Order Granting Review. Mailed briefs must include a signature and should include a return address to facilitate communications with interested parties. In addition, briefs may also be submitted electronically. After considering the arguments submitted during the briefing period, DTSC will issue a second order setting forth its final decision on the appeal comments that were granted review.

Persons who submit written arguments may also request that DTSC hold an Informal Appeals Conference, so they may also present their arguments orally. If requested, DTSC may schedule the Informal Appeals Conference after the close of the briefing period. Interested members of the public, who would like to be informed of the date, time, and location of the Informal Appeals Conference, if one is held by DTSC, are requested to contact DTSC at [appeals@dtsc.ca.gov](mailto:appeals@dtsc.ca.gov) or call (916) 324-4754 to provide their contact information. The conference information will also be posted on the DTSC websites listed in this notice.

The specific comments or issues that have been granted review are detailed in the Order. The Order, the Petition for Review, the permit decision, and related documents are available at the following websites and repositories:
