### SUBMITTAL OF HISTORICAL DOCUMENTS FOR GROUP 6 RCRA FACILITY INVESTIGATION REPORT, SANTA SUSANA FIELD LABORATORY, VENTURA COUNTY

Dear Mr. Lenox:

This is to follow-up to a conversation February 8, 2007 between Gerard Abrams of my staff and Adam Boettner of The Boeing Company regarding delivery of the outstanding historical documents and records for Group 6 RFI Report. We received the most recent CD of electronic copies of documentation related to the Group 6 Area via certified mail on February 7, 2007. These documents are necessary for us to complete our Group 6 RFI review. As discussed in Mr. Abrams' conversation with Mr. Boettner, we are requiring Boeing to submit all remaining historical documents by March 16, 2007 with a certification signed from a principal executive officer of Boeing. Any further delays in submitting these documents and certification will result in DTSC assessing its regulatory options to require Boeing to submit these documents.

If you have any questions, please contact me at (916) 255-3574.

Sincerely,

Signed by James Pappas
