

## **Project Meetings Regarding SSFL**

*DTSC is posting meetings we have with Boeing, NASA, DOE, other public agencies, and other interested parties to keep the public informed as we continue to investigate and prepare for cleanup actions at SSFL.*

### **July 2007**

July 12 - meeting the RWQCB to discuss SSFL

July 12 – Site visit to Sage Ranch and SSFL north drainage to inspect debris

July 13 - Meeting with USEPA & DOE to discuss DOE activities at SSFL.

July 24 - meeting with Boeing, NASA, and DOE to discuss enforcement order.

July 26 - meeting with USEPA & DOE to discuss DOE activities at SSFL (tentative)

July 23 and 24 – Meeting with Boeing and Boeing’s Groundwater Expert Panel to discuss groundwater investigation at SSFL

July 26 – Site visit to Sage Ranch and Brandeis Barden to observe sampling by Boeing of debris areas. DTSC will collect split samples.
