CLASS I PERMIT MODIFICATION FOR SOUTHERN CALIFORNIA GAS COMPANY,  
OLYMPIC BASE HAZARDOUS WASTE FACILITY, 2424 EAST OLYMPIC  
BOULEVARD, LOS ANGELES, CALIFORNIA, EPA ID NUMBER CAD 981 422 017  
HAZARDOUS WASTE FACILITY PERMIT NO. 07-GLN-03

Dear Mr. Canney:

The Department of Toxic Substances Control (DTSC) has completed its review of the proposed Class 1 permit modification request dated June 11, 2007 for the Southern California Gas Company, Olympic Base Hazardous Waste Facility, Los Angeles, California. This request modifies Southern California Gas Company's Hazardous Waste Facility Permit issued on May 4, 2007.

The Class 1 permit modification request is an administrative change to correct the facility size classification from large to small.

In accordance with the California Code of Regulations, title 22, section 66270.42, Southern California Gas Company will send a public notice within 90 days from the date of this letter for the permit modification to all persons on the facility's mailing list and the relevant appropriate entities of state and local government. Based on the information that the facility submitted in the permit modification request, DTSC hereby approves the request to change the facility's size from large to small in accordance with the California Code of Regulations, title 22, Section 66270.42. Enclosed are the Modification Summary and the revised Hazardous Waste Facility Permit including Appendix A. Please replace your copy of the permit with the attached Hazardous Waste Facility Permit.
