Dear Advisory Group member,

In an effort to provide information with adequate time for thoughtful review as many of you have requested, we are rescheduling the next Exide Technologies Advisory Group Technical Working session from November 19th to December 3rd. The associated meeting agenda and materials will be provided by email and posted online by Thursday, November 19th to allow time for Advisory Group members to review.

DTSC has also posted materials from the last Advisory Group session and further information on outreach, community engagement, and mail notifications on our website:
