D. Additional Descriptions for Materials Listed Above
11. a Decon water, profile #55059 OK. 2x55

E. Handling Codes for Wastes Listed Above
H135

15. Special Handling Instructions and Additional Information
Send invoices to Mark Warn @ ENV America
PES0617 24 hour emergency response #707-365-0150.
Wear proper PPE when handling this material

16. **GENERATOR'S CERTIFICATIONS:** I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national governmental regulations.
If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; **OR**, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.
