RE: Land Disposal of Auto Shredder Wastes

Local Enforcement Agencies:

The Department of Toxic Substances Control (DTSC) recently granted an extension to the conditional authorization allowing automobile shredder waste from certain authorized shredder facilities to be classified as non-hazardous waste, under specified conditions. Landfills affected by this action were notified by mail. A copy of the notice is attached for your records.

If you have any questions or require additional assistance in this matter, please contact me at (916) 324-8293 or wbeckman@dtsc.ca.gov.

Sincerely,

William Beckman
Hazardous Substances Engineer
