The mission of DTSC is to protect California's people and environment from harmful effects of toxic substances through the restoration of contaminated resources, enforcement, regulation and pollution prevention.

## INVITATION FOR PUBLIC COMMENT Mercury Thermostat Collection Program Manufacturers' Outreach and Pilot Project Plans

**Comment Period: May 12 – June 3, 2016**

The Department of Toxic Substances Control (DTSC) invites the public and interested stakeholders to review and comment on the "Outreach Plan for the Collection of Mercury Added Thermostats in California" and "Pilot Project Plan for the Collection of Mercury Added Thermostats in California" submitted by the 25 manufacturers who entered into the Consent Order earlier this year. The manufacturers are required to submit draft outreach and pilot project plans (paragraph B-1.3.1 and B-1.4.1) targeting the identified program participants pursuant to Exhibit C of the Consent Order.
