PUBLIC NOTICE OF BRIEFING PERIOD FOR APPEAL OF PERMIT DECISION,
LAWRENCE LIVERMORE NATIONAL LABORATORY, MAIN SITE, 7000 EAST
AVENUE, LIVERMORE, ALAMEDA COUNTY, CALIFORNIA, ENVIRONMENTAL
PROTECTION AGENCY ID. NO. CA2890012584

Dear Mr. Yundt:

Enclosed please find the public notice establishing a briefing period during which interested parties may submit written arguments to the Department of Toxic Substances Control (DTSC) concerning the appeal comments that were granted review. On December 1, 2016, DTSC issued the "Order Partially Granting Petition for Review and Denial of Review," Docket PAT-FY16/17-001 (Order) which granted review of three appeal comments. After considering the arguments submitted during the briefing period, DTSC will issue a second Order setting forth its final decision on the appeal comments that were granted review.

If you have any questions, please contact Mr. Paul Ruffin at (916) 255-6677 or email to appeals@dtsc.ca.gov.

Sincerely,

// original signed by //

Pauline Batarseh
Permit Appeals Officer

Enclosure
