

## **GUIDE SHEET: OBTAINING IDENTIFICATION NUMBERS FOR HAZARDOUS WASTE TRANSPORTERS**

1. Determine if you will be transporting RCRA hazardous waste. If you need assistance regarding waste classification, email the DTSC Regulatory Assistance Office at [rao@dtsc.ca.gov](mailto:rao@dtsc.ca.gov) or call 800-728-6942.
2. Read and follow the instructions below according to the type of waste you are planning to transport.
3. If you plan to transport RCRA hazardous wastes or both RCRA and Non-RCRA hazardous wastes:
  - a. Complete the Notification of Regulated Waste Activity, EPA Form 8700-12. Refer to the "Instructions and Forms" for clarification and reference.
  - b. If your company is located in another state, contact the U.S. EPA regional office for your state.
  - c. Write "pending" in Box 8 on your Hazardous Waste Transporter Registration Application, DTSC Form 187.
  - d. Mail your completed EPA Form 8700-12 and your DTSC form 187 along with your MCS 90 or DTSC 8038 to:

Department of Toxic Substances Control  
Attention: Transporters  
1001 I Street MS 11-A  
Sacramento, CA 95814

4. If you plan to transport Non-RCRA hazardous wastes only:
  - a. Complete the DTSC Form 1358.
  - b. Write "pending" in Box 8 on your Hazardous Waste Transporter Registration Application, DTSC Form 187.
  - c. Mail a copy of your completed DTSC Form 1358 with your Hazardous Waste Transporter Registration Application, DTSC Form 187, along with your MCS 90 or DTSC 8038 to:

Department of Toxic Substances Control  
Attention: Transporters  
1001 I Street MS 11-A  
Sacramento, CA 95814

5. You may not transport hazardous waste until you receive your DTSC Hazardous Waste Transporter Registration.
6. If you have any questions regarding your Hazardous Waste Transporter Registration application, email [transporter@dtsc.ca.gov](mailto:transporter@dtsc.ca.gov).
