### **NOTICE OF PUBLIC MEETING**

### **Green Ribbon Science Panel**

### **Subcommittee Teleconference Meeting**

### **Subcommittee 3: De Minimis and**

### **Unintentionally-Added Chemicals**

The California Department of Toxic Substances Control (DTSC) is convening a teleconference meeting of the Green Ribbon Science Panel (GRSP) **Subcommittee 3: De Minimis and Unintentionally-Added Chemicals**, on Monday, April 18, 2011 from 9:30 a.m. to 12:00 noon Pacific Time. The purpose of this teleconference meeting is for the GRSP subcommittee to discuss issues related to de minimis and unintentionally-added chemicals as part of DTSC's implementation of green chemistry law. This is the second of two teleconference meetings of this subcommittee to explore the issues in depth, in preparation for a physical meeting of the entire Green Ribbon Science Panel that will be held in Sacramento, California, on May 5, 2011 and May 6, 2011.

The GRSP was established by AB 1879 (FEUER) (Chapter 559, Statutes of 2008) to provide the following advice and recommendations to the DTSC and the California Environmental Leadership Council:

- (a) Advise DTSC and the California Environmental Leadership Council on scientific and technical matters in support of the statutory goals of significantly reducing adverse health and environmental impacts of chemicals used in commerce, as well as the overall costs of those impacts to the state's society, by encouraging the redesign of consumer products, manufacturing processes, and approaches.
- (b) Assist DTSC in developing green chemistry and chemicals policy recommendations and implementation strategies and details, and ensure these recommendations are based on a strong scientific foundation.
- (c) Advise DTSC and make recommendations for chemicals the Panel views as priorities for which hazard traits and toxicological end-point data should be collected.

(d) Advise DTSC in the adoption of regulations required by article 14 (commencing with section 25251) of chapter 6.5 of division 20 of the Health and Safety Code.

(e) Advise DTSC on any other pertinent matter in implementing the statute, as determined by DTSC.

## **MEETING DETAILS**

The meeting will be conducted via conference call on Monday, April 18, 2011, from 9:30 a.m. to 12:00 noon Pacific Time. GRSP subcommittee members will participate over the phone from the various designated and publicly-accessible locations listed below.

The public is invited to attend and may provide comments to the GRSP subcommittee. Members of the public will be placed on "listen-only" mode until the public comment portion of the meeting begins. At that time the conference operator will admit individuals for comments. Instructions for making comments to the GRSP subcommittee will be given at the beginning of the teleconference.

### **Teleconference Information:**

Toll free phone number (United States only):

**Phone number: 800-369-2168 (Toll Free)**

**Pass code: 5410105#**

Please note that pre-registration or prior notice is not required for any member of the public to participate in this meeting. However, letting us know you plan to participate will help us better prepare.

We would like to know if you plan to participate in person from one of the locations identified below. Please confirm your attendance by e-mailing Kathy Barwick at [KBarwick@dtsc.ca.gov](mailto:KBarwick@dtsc.ca.gov) or calling at (916) 323-3381.

For international participants, please contact [green.chemistry@dtsc.ca.gov](mailto:green.chemistry@dtsc.ca.gov) for an access number.

#### Location 1:

Conference Room 2540  
(overflow room: 2550)  
CalEPA Headquarters Building,  
25<sup>th</sup> floor  
1001 "I" Street  
Sacramento, California 95814

#### Location 2:

Berkeley Center for Green  
Chemistry  
461 University Hall,  
School of Public Health  
University of California, Berkeley  
2199 Addison Street  
Berkeley California 94720

Location 3:

1875 Connecticut Avenue NW.  
Suite 600  
Washington D.C. 20009  
(Dr. Richard Denison)

Location 4:

Reception Area, 22<sup>nd</sup> Floor  
5005 LBJ Freeway  
Dallas, TX 75244  
(Dr. William F. Carroll)

Location 5:

(Dr. Tod Delaney)  
91 Fulton Street  
Boonton, New Jersey 07005

Location 6:

751 Pensacola Beach Boulevard,  
Unit 7A  
Pensacola Beach, FL 32561  
(Dr. Robert Peoples)

Location 7:

233 Morgan Hall  
UC Berkeley  
Berkeley, CA 94720-3104  
(Dr. Dale Johnson)

**More Information on the Green Ribbon Science Panel**

When available, meeting materials can be found at DTSC's Green Chemistry web page at: <http://www.dtsc.ca.gov/PollutionPrevention/GreenChemistryInitiative/index.cfm>

You may also join our electronic mailing list to receive future notices of green chemistry activities and public meetings.

**Special Accommodations or Language Assistance**

Prospective participants are asked to RSVP and/or to request reasonable accommodation by April 13, 2011 to Radhika Majhail at (916) 255-6681 or by e-mail at [RMajhail@dtsc.ca.gov](mailto:RMajhail@dtsc.ca.gov). Hearing-impaired individuals can obtain information by using the California State Relay Service at (888) 877-5378 (TDD).

**We Value Your Input**

We welcome and encourage your participation in this important effort. If you have questions, please contact Ms. Kathy Barwick at (916) 323-3381, or e-mail at [KBarwick@dtsc.ca.gov](mailto:KBarwick@dtsc.ca.gov).
