Press Briefing on Chemical Waste Management facility in Kettleman City

SACRAMENTO – On Wednesday March 27th, 2013 at 10 a.m. the California Department of Toxic Substances Control (DTSC) will hold a media conference call to announce important news about the Chemical Waste Management (CWM) facility in Kettleman City and its operations.

What: Media conference call

Where: Via conference call. Please dial: 888-469-1073 Code: 8053637 Ask for Charlotte Fadipe

When: Wednesday March 27th, 2013 at 10 a.m.

Background: Chemical Waste Management (CWM) is a commercial California landfill facility permitted to dispose of or treat and store hazardous waste. It is located in western Kings County, California. It accepts hazardous and nonhazardous material from all over California.

###

FOR GENERAL INQUIRIES: Contact the Department of Toxic Substances Control by phone at (800) 728-6942 or visit www.dtsc.ca.gov. To report illegal handling, discharge, or disposal of hazardous waste, call the Waste Alert Hotline at (800) 698-6942.

The Mission of DTSC is to protect California's people and environment from harmful effects of toxic substances by restoring contaminated properties, identifying and promoting safer ingredients in consumer products, and ensuring stewardship through enforcement, regulation and pollution prevention.
