Department to Hold Public Meeting on Suva School

Sacramento -- The California Environmental Protection Agency today announced that its Department of Toxic Substances Control, will hold a public meeting to talk to residents about a coordinated investigation with the Regional Quality Control Board and the Air Resources Board regarding the potential soil, air, and groundwater contamination from a chrome plating facility located adjacent to the Suva School in Bell Gardens.

The meeting will be held at :

**Bell Gardens High School Auditorium
6119 Agra Street
September 22, 1998
6:30pm**

During the meeting the environmental regulators will discuss sampling plans for soil, water and air.
