

WORK NOTICE
Berkeley Auto Repair
2366/2378 San Pablo Avenue
Berkeley, California

Field Work being conducted
May 22, 2006 to May 26, 2006

The Department of Toxic Substances Control (DTSC) is circulating this work notice to inform the community about upcoming work on the Berkeley Auto Repair property located at 2366/ 2378 San Pablo Avenue and in two other locations nearby (one on Tenth Street and the other near San Pablo Avenue in Berkeley, California. The sampling activities will begin the week of May 22, 2006. The field work will take about one week, weather permitting, to complete.

On May 22, 2006, work will begin at the Berkeley Auto Repair Site between 8:00 A.M. and 5:00 P.M. San Pablo Avenue will not be impacted by this work. The following work activities will happen:

- **Workers will be wearing safety gear and operating various pieces of construction equipment.**
- **Sampling activities include a drill rig.**
- **The work will be performed in compliance with the approved Site Safety and Health Plan.**
