

## NOTICE OF PUBLIC COMMENT PERIOD

### DRAFT REMEDIAL ACTION PLAN PROPOSED CENTRAL REGION HIGH SCHOOL #13 LOS ANGELES, CALIFORNIA

**COMMUNITY MEETING:** November 8, 2007, 6:30 PM  
Glassell Park Elementary School Auditorium  
2211 West Avenue 30, Los Angeles, CA 90065

**Public Comment Period: October 29, 2007 to November 28, 2007**

#### **WHAT IS BEING PROPOSED?**

The California Department of Toxic Substances Control (DTSC) invites public comment on the draft Remedial Action Plan (RAP) for the Los Angeles Unified School District's (LAUSD) proposed Central Region High School #13 site. This workplan addresses the removal and off-site disposal of approximately 20,000 cubic yards (30,000 tons) of soil and off-site disposal from the site in about 1,200 trucks.

The site is 23.21 acres in size and is bounded by the Los Angeles River to the west, California State Route 2 (Glendale Freeway) to the north, San Fernando Road to the east, and Interstate 5 (Golden State Freeway) to the south in the Glassell Park community of Los Angeles. During the site investigations, metals, arsenic, and lead, and other contaminants including volatile organic compounds (VOCs), polycyclic aromatic hydrocarbons (PAHs), polychlorinated biphenyls (PCBs), and pesticide were detected in shallow soils and soil gases in concentrations exceeding DTSC health risk levels for school sites. Therefore, DTSC recommended LAUSD to remove the contaminated soils and transport them to permitted off-site disposal facilities.

DTSC has prepared a draft Initial Study and a Negative Declaration for this project pursuant to the California Environmental Quality Act (CEQA). The Initial study states that the proposed cleanup will not have a significant negative impact on the human health and the environment because of the defined amount of contaminated soil to be removed and the controlled manner in which the contaminated soils will be removed, loaded onto trucks and taken away to an approved/permitted off-site facility for lawful disposal/treatment.

#### **HOW DO I PARTICIPATE?**

This notice is to provide the interested community the opportunity to learn more about the project and provide comments to DTSC about the proposed cleanup during a thirty (30) day public comment period that starts on October 29, 2007, and ends on November 28, 2007. A public meeting will be held on November 8, 2007 at 6:30 p.m. at Glassell Park Elementary School Auditorium. Your participation is encouraged. Comments concerning the draft RAP may be submitted in writing to Ms. Stephanie Lewis, Project Manager, DTSC, 1011 N. Grandview Avenue, Glendale, CA 91201, and must be postmarked by November 28, 2007.
