### **NOTICE OF FINAL PERMIT DECISION UNDER CALIFORNIA HAZARDOUS WASTE CONTROL LAW HEALTH AND SAFETY CODE, DIVISION 20**

In accordance with the requirements of Title 22, California Code of Regulations (22 CCR), Section 66271.14, the California Department of Toxic Substances Control (DTSC) is hereby issuing a Hazardous Waste Facility Permit to the following:

Facility: General Electric International, Incorporated  
Los Angeles Service Center  
3601 East La Palma Avenue  
Anaheim, California 92806

Owner: Energy Services Division of General Electric International, Inc.,  
headquartered in Schenectady, New York.

Operator: Energy Services Division of General Electric International, Inc.

EPA Identification No.: CAD030 584 502

The decision to issue the final permit becomes effective on December 1, 2004 unless a review is requested under 22 CCR 66271.18. This action constitutes a final permit decision under 22 CCR 66271.14 and Section 25200 of the California Health and Safety Code. The waste management activities governed by this permit are limited to the storage of hazardous waste.

This decision may be appealed in accordance with 22 CCR 66271.18. Any person who filed comments on the proposed permit may petition DTSC to review any conditions of the permit. Any persons who failed to file comments on the proposed permit may petition for administrative review only to the extent of the changes from the proposed to the final permit. Please note there is no change in the final permit.

The 30-day period within which a person may request review begins November 1 and ends November 30, 2004. In order to satisfy this requirement, the petition must be postmarked no later than November 30, 2004. The petition must be sent to DTSC at the following location:

Mr. Watson Gin  
Deputy Director  
Hazardous Waste Management Program  
Department of Toxic Substances Control

The petition shall include a statement of the reasons supporting the request for review, including a demonstration that any issues being raised were raised during the public comment period (including the public hearing) and when appropriate, a showing that the condition in question is based on:

- 1) a finding of fact or conclusion of law which is clearly erroneous or
- 2) an exercise of discretion or an important policy consideration which DTSC should, in discretion, review.

A copy of the final administrative record for the decision is available for review at the DTSC's office listed below. DTSC's Response to Comments on the permit, and other documents related to this decision may be reviewed at the following locations:
