

WORK NOTIFICATION
Pacific Gas and Electric Company, Martin Service Center
Daly City/Brisbane
March 2003

The California Department of Toxic Substances Control (DTSC) is distributing this work notification to advise people living near Pacific Gas and Electric Company's (PG&E's) Martin Service Center of the upcoming soil removal activities. This work will be taking place within the landscaped area on Schwerin Street between Cypress Lane and Geneva Avenue.

Approximately 200 cubic yards of soil containing polycyclic aromatic hydrocarbons (PAHs) will be excavated, loaded into covered bins or trucks, and taken to an approved offsite disposal facility. The excavation will be backfilled with gravel and clean top soil.

WORK ACTIVITY SUMMARY

- **All work will take place on the PG&E property.**
- **Work will begin the week of March 31, 2003 and is expected to take 5-10 days.**
- **Working hours will be 7 AM to 5 PM, Monday through Friday.**
- **Soil will be loaded on the PG&E property into bins or trucks. Bins and trucks will be covered prior to leaving the PG&E property.**
- **Trucks transporting the soil will travel along Geneva Ave. to Bayshore Blvd., and then south to Highway 101.**
- **Dust control activities and dust monitoring will occur during all excavation and loading.**

This work will be performed in accordance with the approved workplan and the addendum to the Health and Safety Plan, which have been reviewed and approved by DTSC. The documents are available at the Midway Village Housing Office, the City of Brisbane Library at 250 Visitacion Avenue and the Daly City Library at 2960 Geneva Avenue.

COMMUNITY INFORMATION AND CONTACTS
