**COMMUNITY MEETING:** November 6, 2007, at 6:00 PM  
Miramonte Elementary School Auditorium  
1400 E. 68th Street, LA, CA 90001

**Public Comment Period: October 15, 2007 to November 13, 2007**

### WHAT IS BEING PROPOSED?

The California Department of Toxic Substances Control (DTSC) invites public comment on the draft Remedial Action Plan (RAP) for the Los Angeles Unified School District's (LAUSD) proposed South Region Elementary School #2 site. This workplan addresses the removal of approximately 35,900 cubic yards (53,850 tons) of soil and off-site disposal from the site in about 6,750 trucks. The proposed school is 4.39 acres in size and is located on Central Avenue between Florence Avenue and 74<sup>th</sup> Street, including part of 73<sup>rd</sup> Street in Los Angeles. During the site investigations, total petroleum hydrocarbon (TPH), volatile organic compounds (VOCs), polyaromatic hydrocarbons (PAHs), and lead were detected in shallow soils in concentrations exceeding DTSC health risk levels for school sites. Therefore, DTSC recommended LAUSD to remove the contaminated soils and transport them to permitted off-site disposal facilities.

DTSC has prepared a draft Initial Study and a Negative Declaration for this project pursuant to the California Environmental Quality Act (CEQA). The Initial study states that the proposed cleanup will not have a significant negative impact on the human health and the environment because of the defined amount of contaminated soil to be removed and the controlled manner in which the contaminated soils will be removed, loaded onto trucks and taken away to an approved/permitted off-site facility for lawful disposal/treatment.

### HOW DO I PARTICIPATE?

This notice is to provide the interested community the opportunity to learn more about the project and provide comments to DTSC about the proposed cleanup during a thirty (30) day public comment period that starts on October 15, 2007, and end on November 13, 2007.

A public meeting will be held on November 6, 2007, at 6:00 PM at 1400 E. 68th St., Los Angeles, CA 90001. Your participation is encouraged. Comments concerning the draft RAP may be submitted in writing to Stephanie Lewis, Project Manager, DTSC, 1011 N. Grandview Avenue, Glendale, CA 91201, and must be postmarked by November 13, 2007.
