

**NOTICE OF 30 DAY PUBLIC COMMENT PERIOD
FOR THE PROPOSED INTERIM MEASURE AT
THE TYCO ELECTRONICS FACILITY IN STOCKTON**

The Department of Toxic Substances Control (DTSC) is holding a 30-day public comment period to accept comments on a Proposed Interim Measure for the Tyco Electronics Facility site (referred to as the Site) located at 1848 and 1856 Field Avenue, Stockton, California. The comment period will begin on April 10, 2006 and end on May 10, 2006.

The 1.1 acre Site operated as a printed circuit board manufacturing facility from 1987 to 2001. The current land use in the surrounding area is primarily commercial and industrial; however, several residential housing units are located within 1/8 mile of the Site. Currently, there are no manufacturing activities and only vacant buildings remain at the Site.

The Proposed Interim Measure is for the removal of soil with elevated levels of lead from 10 feet by 15 feet by 5 feet deep area under the concrete slab flooring in Building 1848. The contaminated soil will be excavated and transported to a licensed landfill for disposal. The concrete flooring will be replaced after the excavated area is backfilled with clean soil.

The 30-day public comment period for the Proposed Interim Measure will start from:

April 10 to May 10, 2006

All written comments must be postmarked no later than May 10, 2006 and should be sent to the attention of:

Violeta Mislang
Project Manager
Department of Toxic Substances Control
5796 Corporate Avenue
Cypress, California 90630
vmislang@dtsc.ca.gov
(714)484-5387

The Proposed Interim Measure and other related documents are available for review at:

Stockton Public Library
605 North El Dorado Street
Stockton, California
(209) 937-8257

The full administrative record and files pertaining to this matter are available for public review at:

Department of Toxic Substances Control
5796 Corporate Avenue
Cypress, California 90630

Questions and comments should be directed to Violeta Mislang by phone at (714) 484-5387 or by email at vmislang@dtsc.ca.gov.
