

Department of Toxic Substances Control

---

# Community Update

Tuesday, April 28, 2015

6:00 p.m. – 9:00 p.m.

Simi Valley High School, Multipurpose Room  
5400 Cochran St., Simi Valley, CA 93063

## You're invited to attend an information update on recent and future cleanup activities at the Santa Susana Field Laboratory

Staff from the Department of Toxic Substances Control, the lead regulatory agency overseeing the Santa Susana Field Laboratory Cleanup (SSFL) investigation and cleanup, will provide information on the SSFL activities over the last six months and those that are anticipated in the next six months.

Additionally, staff from the California Los Angeles Regional Water Quality Board, Department of Energy, The Boeing Company, and NASA will be available to answer questions pertaining to specific cleanup activities for their respective areas of the Site.

### Meeting Agenda

- Introductions
- SSFL Status Update Presentation
- Open House

**For additional information, contact:** Marcia Rubin, Public Participation Specialist at (714) 484-5338 or via e-mail at

**For details on the SSFL cleanup project visit:**
