

NOTICE OF PUBLIC COMMENT PERIOD

The Draft Removal Action Workplan for The Former Vendo Facility Fresno, California

PUBLIC COMMENT PERIOD: October 1, 2010 to November 1, 2010

WHAT'S BEING PROPOSED? The former Vendo Facility has prepared a Draft Removal Action Workplan (RAW) and is conducting a removal action under the oversight of the Department of Toxic Substances Control (DTSC). The former Vendo Facility is located at 600 West Locust Avenue with a previous associated address of 7209 North Ingram Avenue, both in Fresno, California. The purpose of the RAW is to evaluate remedial alternatives and identify the optimal remedial action for the Site. DTSC issued a Remedial Action Order (Consent Order No.HSA 89/90-003) in March 1990. The Remedial Action Order outlined the work required by DTSC for characterization and cleanup of the Site.

CALIFORNIA ENVIRONMENTAL QUALITY ACT - NOTICE OF EXEMPTION: Based on the conditions of the site and the proposed cleanup alternative, DTSC has determined the response action qualifies for a General Rule Exemption {CCR, Sec. 15061 (b)(3)}, and will issue a Notice of Exemption (NOE) to comply with the California Environmental Quality Act (CEQA) requirements. The Draft NOE will be available for public review, along with other supporting documents in the information repositories.

WHY THIS NOTICE? The purpose of this notice is to provide you with the opportunity to learn more about the project and to provide comments to DTSC, concerning the proposed soil removal action, within thirty (30) days of this notice.

HOW DO I PARTICIPATE? Your participation is encouraged. Comments concerning the draft RAW may be submitted in writing to Michael Pfister, DTSC Project Manager, 1515 Tollhouse Road, Clovis, California, 93611 or email Pfister@dtsc.ca.gov. All mail and emailed comments must be received by DTSC on the same date.
